## Product Data Sheet

# SNOW-FOAM+

- Dramatic thick foam blanket, clings to surfaces enhancing cleaning action to break down and lift all heavy soiling, traffic film, dirt, grease and oils.
- Leaves a water repellent gloss finish.
- Fresh fragrance.
- Cost Effective: Can be pre-diluted with up to 15 parts water.
- pH Neutral
- Paint & Trim Friendly: Will not remove existing wax coatings. Kind to paintwork, trim and vehicle signwriting. Will not mark or dull surfaces: totally safe cleaning action even with repeated use.
- Environmentally Friendly: The surfactant(s) contained in this preparation complies with the biodegradability criteria as laid down in Regulation (EC) No.648/2004 on detergents. Solvent and Phosphate free.

# ZIR507038  
3.785L/US Gal

### DIRECTIONS:

*Snow-Foam+ should be applied from bottom up and allowed to dwell until foam breaks.*

*NB: Do not allow to dry out on any surface or staining may occur. After use rinse away thoroughly with plenty of cold water.*

*In very hot weather we recommend surfaces being cleaned to be cooled by pre-spraying with cold water before application of cleaning solution.*

*For additional information see relevant Safety Data Sheet.*
